7 September 1955

Chief, Engineering Division, OC

Contract PSC-234-UNV Requisition No. OC/2207-8-56

1. When the [ ] submitted a proposal for the work which was subsequently covered under the subject contract, delivery schedules for the foreign tubes for the Government furnished Minifon recorders were very reasonable. During the time which has elapsed between the submission of the proposal and the present date, delivery times for these tubes are now out of the question as far as their use in the equipment of the subject contract is concerned.

25X1

2. Due to the urgent operational requirement for the equipment which is to be delivered under Contract PSC-234-UNV, it is requested that the tubes listed in Requisition No. OC/2207-8-56 be taken from stock and delivered to the contractor as Government furnished equipment. The contract should be amended so that [ ] will reimburse the Government with tubes of identical types and quantities when they are received in the future.

25X1

3. It is requested that oral agreement in regard to this matter be reached with [ ] so that the Government tubes can be delivered by 19 September 1955. The written agreement can then be forwarded at a later date.
